The Local Choice for
Westdene & Hove Park

We are campaigning to

- 1 Maintain streets and parks**
- 2 Invest in facilities and public toilets**
- 3 Fix rubbish and recycling collections**

What's at stake in this election

Your **THREE VOTES** at these City Council elections will be crucial in deciding the future of Westdene & Hove Park.

Only the Conservatives will:

1. Fix rubbish and recycling collections - after 12 years of Labour and Green run Councils, the service is worse than ever.
2. Protect Westdene & Hove Park's family homes from being converted to flats - Labour & Greens voted for a lower threshold to subdivide houses.
3. Stop the congestion-causing Old Shoreham Road cycle lanes returning - these are included in the Labour/Green transport plan.
4. Deliver the refurbishment of Hove Park toilets and protect public conveniences - Greens wanted to close half the city's toilet blocks.
5. Get the Council cutting verges and weeding pavements again - Labour Councillors banned weedkiller without an alternative plan.
6. Work with residents and their associations to fix the road layout problems at Westdene Green.

Remember, in Brighton & Hove, a vote for Labour is a vote for the Greens, as they have run the council with a joint agreement.

Promoted by Mark Watson, on behalf of Samer Bagaeen, Emma Hogan and Ivan Lyons, all of Box 505, 91 Western Road, Brighton & Hove BN1 2NW. Printed by Paragon CC, Park House, Lower Ground Floor, 16-18 Finsbury Circus, London, EC2M 7EB.

Samer BAGAEEN, Emma HOGAN and Ivan LYONS have a six point plan to improve the state of the city, which has deteriorated after 12 years of Labour and Green run councils.

A strong local team working for you...

SECURING NEW FUNDING AT HOVE PARK

We've secured up to £1 million for community infrastructure in Hove Park from Section 106 contributions, including for the refurbishment of Hove Park toilets, basketball court resurfacing, the play area, outdoor gym and pavilion.

PROTECTING RESIDENTIAL STREETS

We have worked with residents and developers to divert construction traffic away from quiet residential streets - including Woodland Drive, Nevill Road and Goldstone Crescent - and are constantly monitoring for compliance.

DELIVERING FOR RESIDENTS ON OLD SHOREHAM ROAD

We removed Labour's congestion-causing OSR cycle lanes. We worked with residents to secure a new pedestrian crossing at Lullington Ave and acoustic fencing & safety measures around Hove tip.

ACTION FOR WESTDENE & HOVE PARK

SUPPORTING RESIDENTS' ASSOCIATIONS

We have met with Westdene residents unhappy with the Greens' school streets changes at Westdene Green and supported a Deputation. We support residents' associations in safeguarding family homes in the face of council pressure.

IMPROVING ROAD LAYOUT

Working with residents, we secured road improvements at the junction of Hove Park Road and Shirley Drive to improve safety and are campaigning for pedestrian crossings nearby.

CUTTING WEEDS AND VERGES

Labour and Greens have halved the number of verge cuttings leaving residents with inaccessible bus stops. We helped Shirley Drive residents get them cut. We are supporting Goldstone Valley residents have their drains cleared.

WE GET RESULTS FOR WESTDENE & HOVE PARK

Through our local work our team has delivered positive results for the Westdene & Hove Park community.

We have secured major funding for new facilities at Hove Park and have a plan for more.

We have consistently stood up for residents on the big issues at the City Council - we successfully campaigned to remove Labour's congestion-causing Old Shoreham Road cycle lanes and represented

residents when Labour/Greens tried to enforce a park and ride development without consulting.

We work with residents' associations to safeguard family homes as this keeps families in the city, protects our teachers, schools and maintains the area's character.

We are on call day and night for residents in Westdene & Hove Park ward and ask for your support on Thursday 4 May to be your voice on the City Council.

Your local Westdene & Hove Park Conservative team gets results for residents and stands up for the area on the City Council without fail.
