# More rubbish from Council as Town Hall faces uncertainty...

Dear Portslade Resident

No matter your politics, all of us know that our famous City looks a mess, with rubbish overflowing, civic buildings neglected, and weeds and graffiti running rampant.

We want to save our Town Hall and sort this wider mess out, because the time has now come for the council tax payer to get decent services and proper value for money.

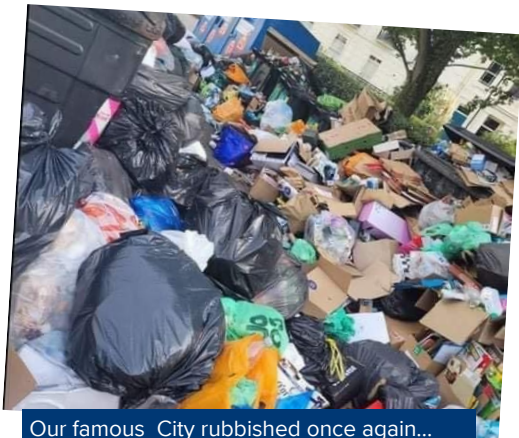

If you agree with us, please vote Taylor on May 4th and let's get North Portslade and our wider City finally cleaned up of weeds and rubbish.

It's time to show some pride in our City!

Kirk Taylor and Gary Taylor

Help Kirk and Gary save our neglected Town Hall

Our famous City rubbished once again...
